08/06/2022 · When Mississippi asked the U.S. Supreme Court to overturn Roe v. Wade, it argued that a long tradition of state restrictions on abortion in the U.S. "defeats any claim of a deeply rooted right" to an abortion. Yet for all but 21 of its 156 years as a state prior to Roe, Mississippi law technically permitted abortion for any reason until about 16 weeks of pregnancy.

06/12/2011 · Permalink. Completely fallacious argument. There is no basis for claiming a fetus is a “person” under the 5th or 14th Amendments. Judge Robert Bork, no liberal, stated, somewhat condescendingly, that those who argue in favor of the unborn as “persons” under the 5th and 14th Amendments to the Constitution, and therefore entitled to all the Constitution’s protections,
Abortion and crime: who should you believe? - Freakonomics

Abortion is often their only chance of getting their lives back on a successful path. There are many more arguments in favour of access to abortion, but these five are a good basis for an essay. Use them to deny your opponent the "pro-life" label; advocates of abortion access are not "anti-life," so it's a misleading tag. Turn it round and call "Abortion" in the Founding Era: A Reply to Methodological

Contrary to the argument presented by the proponents of abortion that the fetus does not feel any pain during an abortion, the opponents state that abortion subjects the unborn child to unbearable pain. To support their argument, the opponents state that the fetus develops the spiral reflex that is the primary response to pain. They argue that the spinal reflex is developed by the eight weeks
